Description and Extent of Change

- We are changing Flash on all affected SKU. This change is adding compatible Flash as second source resulting NO Fit, Form or Function Change.
- Lantronix would like to notify you of a newly approved factory location of existing Contract Manufacturer (CM) for product listed above. The factory in Thailand is fully approved for all assembly, test, and packing operations. There are no changes to fit, form, and function of the finished product.

With this change, the additional factory location will be using similar testing equipment, processes and materials. Product will still be manufactured according to the same electrical and physical dimension specifications. Lantronix will ensure that appropriate process controls and monitors are in place at the new factory to continue providing high quality product.

The product will be identified with a factory location as shown in the table below.

| | Current CM | Additional CM |
|---------------|------------------|-----------------------|
| Location | China | Thailand |
| Label Marking | Made in CHINA 01 | Assembled in Thailand |

Effect of Change on Fit, Form, or Function

There are no changes to electrical specification, external form, fit, function, quality or reliability in the final product

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
